

F-1512 12-String Dreadnought. All of the F-15's features are built into this 12-string, including Conn's new neck aligning system, which keeps the action quick and easy always.

F-2712 12-String Dreadnought. There's only one reason to pick an F-2712... and that is to treat yourself. Resonance, big sound, responsiveness, balance, quick action...it's all here. A pleasure to play and to hear.
